

Yearly Content Management

If you require assistance in posting new content regularly, we offer:

- Editing and formatting articles or posts provided by you.
- Uploading content with optimized images and metadata.
- Scheduling and publishing posts to align with your timelines.
- Required postings will need to be submitted to our Service Desk with 24 hours lead time.

\$1500/year

This add-on service is billed annually when you opt-in.

If you would like more information, please feel free to reach out:

support@digitaltowpathny.gov

Please include your municipality name, phone number and a contact person.

We look forward to assisting you.
