

Website Design & Data Migration

Website Design & Data Migration

The design of the website will include:

- Custom and responsive layout tailored to your municipality.
- Mobile and desktop-friendly optimization.
- Integration of user-friendly navigation and modern design aesthetics.
- Basic SEO implementation to enhance online visibility.
- Data extraction from the existing platform.
- Transfer and integration of content, images, and other assets into the new system.
- Ensuring no loss of data and complete functionality post-migration.

Price: \$3,000 (one-time fee)

Terms and Conditions

- The quoted prices are valid for 60 days from the date of the proposal.
- Payment terms: 50% upfront and 50% upon completion for website design and data migration.
